

## Data Design Annual User's Meeting!

The Embassy Suites and Convention Center in Norman is now open!

Mark your Calendar for Monday March 23 through Wednesday March 25, 2009 for the third annual Data Design Inc User's Meeting!

The theme year one was Data Design software 101. The theme year two was Beyond the Basics.

The theme for year three is Planning for the Future.

Monday evening we will have an open house at DDI.

We want the trip to be **fun** as well as productive, so Tuesday night we are planning a casino night at Riverwind Casino!

The room rate for the Embassy Suites is \$134 per night.

We will need to give the hotel a count, please let us know by December 1 how many rooms you will need.

See you then!
